

# Music Suggestions for the Jubilee Year of Mercy

Your existing parish music repertoire will probably yield many pieces of music suitable for the theme of mercy this jubilee year. In addition, the topical index of your hymnal or other worship resource is a good source for ideas.

**There is an official Hymn for the Year of Mercy, by Paul Inwood. It is available for free download in English and Spanish, with a Latin refrain in both cases. Follow the links below for this music:**
